

I am from Argentina. I relocated to Brno in 2018 to grow my career in Europe and I am searching for a company where I can apply my experience, and improve my skills. I am passionate about technology, languages and leading teams. I love collaborating, helping others and solving problems.  
I am looking for Associate Frontend Web Developer positions.

## WORK EXPERIENCE

### Associate Freelance Web Developer | Nexiit (2020)

- Studying Web Development from different online universities, in order to be able to apply to associate web developer positions, either freelance or full-time.
